

2015 Cessna Citation M2

Registration: N371RM

Serial: 525-900

Price: \$3,095,000

Citation M2 #900 is a one-corporate owner, since new, U.S. based aircraft featuring the Garmin G3000 avionics, 1300 nautical mile range, 400 knot speed and single-pilot capability with 6 passengers and plenty of baggage space. This aircraft is fully enrolled in the preferred TAP Blue engine maintenance program and has been maintained to the highest corporate level. The Citation M2 is capable of flying at altitudes up to 41,000, far above most weather/icing. It has direct operating costs, per nautical mile, that are less than most competing turboprops. A proven design, the 525 family of aircraft (CJ1, CJ2, CJ3, CJ4 and M2) are the most popular aircraft in the marketplace. Excellent safety record, simple systems, ease of flying and Citation Service are just a few reasons a pilot owner or corporate operator should consider a Citation M2.
